

LEVELLAND ISD
2010-2011 Student Dress Code
Board Approved 3-11-2010

Introduction/Purpose:

This dress code is intended to: (1) teach students grooming and hygiene; (2) create and maintain a respectful and positive learning environment; (3) prevent the disruption, interference with, or detraction from the educational environment and school activities; and (4) minimize health and safety hazards.

Students and parents share responsibility for complying with the District's dress code and should be aware of dress code provisions.

Enforcement:

Teachers and administrators have the authority to enforce the dress code.

Note: This dress code provides guidance regarding common situations but cannot cover every style of dress and specific situations that may arise. The District reserves the right to prohibit any clothing or grooming style that the administration determines to be reasonably expected to pose a health or safety hazard or to cause substantial disruption of, distraction from, or interference with general school operations. In addition, extracurricular programs may have additional requirements or guidelines for students participating in those programs.

Violations:

If a student fails to comply with the dress code, the campus administrator will request that the student make the appropriate corrections. This may include changing into clothing provided by the school.

If the student refuses to make the appropriate corrections, the student's parent/guardian will be contacted for assistance in making the necessary corrections. If both the student and parent/guardian refuse, the student will be assigned to in-school suspension for the remainder of the day or until the problem is corrected. Repeated violations of the dress code will result in more serious disciplinary action. In all cases, appropriate disciplinary action will be administered in compliance with the Student Code of Conduct.
